

Boy Scout Troop 230 Receives Children and Youth Award

Boy Scout Troop 230 of South Milwaukee was recognized this spring by the Milwaukee County Veterans Council for their community service activities. The troop pictured above with Scoutmaster Randy Carr was presented with the Children and Youth Award at the Tanner-Paul American Legion Post 120 in West Allis. Troop 230 has been active since 1955 in local community events such as the annual Flag Day ceremony, organizing a yearly flag retirement with the local Cub Scout packs, and sponsoring families for the holidays through Human Concerns, a local food pantry. In addition to these annual events, the troop assists the Van Eimeren-Kolonka American Legion Post 27 and Trinity Lutheran Church at pancake breakfasts, meatball dinners, landscaping, and other odd jobs when needed.
